Where Are Printers/Copiers For Student Use?

Pinkard Building

Room N301 immediately to the left of the elevators (color printer/copier and B&W printer)

Outside Room N327 (B&W printer)

Lower Level Hallway outside Room N011 (B&W printer)

SON House

Room S501 "PHD Lab" (B&W printer)

JHUSON Student Printer installation instructions

The JHU School of Nursing has made available student printing for both Mac or Windows systems. Students have the ability to print directly to public SON printers from their own laptops. This functionality requires the installation of Pharos client software. Please follow the link below for your computer operating system.

[Printer Installation Instructions for Mac](#) Please use **Safari**

[Printer Installation Instructions for Windows](#) Please use **Microsoft Edge**

JHUSON Student Printing instructions

The steps for printing are the same whether you are printing from a SON public computer or your own laptop with SON printing configured.
