Classroom controls

Overhead projector on/off: Push 'DISPLAY ON' to make screen visible.
Push 'DISPLAY OFF' to shut off projector before leaving the classroom.

'DISPLAY MUTE' will blank the screen and mute the sound.

Computer on: PC or Laptop
The display defaults to 'PC' on start up.
To connect your laptop:
1.) Push 'LAPTOP'
2.) Attach VGA/Audio cable from wall plate to laptop

Assistance: 'HELP' will alert Multimedia Services that you are experiencing difficulties and help should arrive shortly.

Please ensure that the 'DISPLAY OFF' button has been pushed upon exiting the classroom.

Unknown macro: 'hideelements-macro'
